Abdelrahman Moustafa

has successfully completed the online Specialization

DeepSeek in Practice

Congratulations on completing the Mastering DeepSeek: AI System Architecture & Deployment specialization. Through this specialization, you have developed the ability to design and build intelligent systems using DeepSeek. You have gained practical knowledge in applying DeepSeek's architecture and prompting techniques to real-world scenarios. By fine-tuning and deploying DeepSeek models, you've demonstrated your capability to optimize and implement AI-driven solutions in various domains.
